O2Go Containers by OZZI© at the Hans

To check out O2Go: **Dining Plan holder visits the Hans, requests a container, and cashier swipes DragonCard once to check out container free of charge.**

Cashier swipes DragonCard a second time, to redeem a Meal Exchange, allowing Dining Plan holder to enjoy a to-go meal from the Hans.

To return O2Go container: **Dining Plan holder returns to the Hans, gives container to cashier, and cashier swipes DragonCard once to check in O2Go container.***

Drexel Campus Dining washes and sanitizes O2Go container so it can be enjoyed by another Dining Plan holder.

*For added convenience, O2Go containers can also be returned to the cashier at the Market at Northside Dining Terrace.
